VISION BOARDS 2010

During the next eight weeks, we are going on an adventure of discovering biblical ways to create a vision for your future. Each week, we will have a new topic that will be built upon from the previous week, all the while, keeping God at the center. We will continue to have praise & worship, memory verses, times of participation, illustrated sermons and of course some exciting and fun games that will help to reinforce the lesson being taught. You will definitely want to be a part of this eight week series! Bring your friends and I look forward to seeing you all there! - Miss Tammy
